Sushank-ghimire

EDUCATION

Bhaktapur Multiple Campus (Tribhuvan University)

B.Sc. CSIT (Bachelor of Science in Computer Science and Information Technology)

Present

Bhaktapur, Nepal

Nobel Academy

High School - GPA: 3.34

Graduated: 2081 (Nepali Calendar)

Naya Baneshwor, Kathmandu

TECHNICAL SKILLS

- **Languages:** Python, JavaScript, TypeScript, Golang, C, SQL, HTML
- **Frameworks & Technologies:** React.js, Next.js, Node.js, Express.js, Django, TailwindCSS, MongoDB, Firebase, Git, Bootstrap
- **Tools:** VS Code, Figma, Postman, PyCharm, Sublime Text, Canva

LANGUAGES

- Nepali (Native), English (Intermediate), Hindi (Fluent)

PROJECTS

File Converter | Next.js, TypeScript, TailwindCSS, FFmpeg

Engineered a versatile file conversion tool supporting multiple formats (images, videos, audio) using Next.js and FFmpeg.

Designed an intuitive UI with TailwindCSS, enhancing user experience and conversion efficiency.

Spotify Clone | MongoDB, Express.js, React, Node.js, TailwindCSS

Created a full-stack music streaming platform with playlist management and song recommendations.

Integrated secure authentication and data storage using Express.js and MongoDB, optimizing API performance.

Link Shortener | Next.js, MongoDB, TypeScript

Built a scalable URL shortening service with real-time analytics and user authentication.

Leveraged MongoDB for persistent storage and Next.js for seamless server-side rendering.

EXPERIENCE

Freelance Web Developer

2022 – 2023

PeoplePerHour, Fiverr

Remote

Designed and deployed responsive web applications using React, TypeScript, and Node.js for diverse clients.

Collaborated with stakeholders to define project scopes, delivering solutions 20% ahead of deadlines on average.

Elevated client satisfaction by implementing scalable, maintainable codebases with modern best practices.

EXTRACURRICULAR ACTIVITIES

- Participated in Codeyatra 2025 organized by Himalaya Collage of Engineering, Kathmandu – Collaborated in a team to design and prototype a web-based solution for local businesses, enhancing skills in problem-solving and rapid development.

INTERESTS

- Competitive Programming, Open-Source Contribution, UI/UX Design
